

Camera operator Job Description – Imam Hussein Media Group

Salary: Dependent upon experience

Location: North West London (Colindale)

Job Role: Camera operators must travel with producers and directors to locations to film and capture footage. They need to complete a check list and take specific equipment correlating to what they are shooting. Once on set or location a camera operator assists the producer/director with getting the correct lighting and background in order to shoot. Camera Operators are also required for live shows when operating cranes and roaming shots.

Key responsibilities

- . Assembling and Disassembling camera equipment and lighting.
- . Assisting and helping producers and directors with their project
- . Cleaning lenses
- . Capturing footage and filming
- . Help with cleaning sets and putting equipment back to its designated area

Personal Specification

- . Must have a good level of English (Listening and reading)
- . Must be able to work as part of a team
- . Must have good understanding of the Islamic Shia faith
- . Familiar with camera equipment and different types of filming methods
- . Experience using a camera crane
- . Expected to work longer hours during peak seasons
- . Creative input into projects
